It contains special Commercial intelligence, special tables of Shipping, and other information. Two various Reports of Courts and Meetings, and all other news, are given in full as they appear in the Daily issue.

The Overland China Mail, by the convenience of its form and the accuracy and fulness of its reports, has long been popular with residents who wish to send home a weekly budget of the news of Hongkong and the Far East. Circulating, as it does, among nearly all the old China "bands" at Home and also among residents of the Treaty-Ports and in the interior, it offers special advantages to advertisers.

THE CHINESE MAIL

報日字華
(Wah Ts' Yat Pe).

THIS paper is now issued every day. The subscription is fixed at Five Dollars per annum delivered in Hongkong, or Eleven Dollars Forty Cents including postage to Coast ports.

It is the first Chinese Newspaper ever issued under purely native direction. The chief support of the paper is of course derived from the native community, amongst whom also are to be found the guarantees and securities necessary to secure it on a business and legal footing.

The projectors, having their estimates upon the most reliable information from the various Ports in China and Japan, from Australia, California, Singapore, Penang, Saigon, and other places frequented by the Chinese, consider themselves justified in guaranteeing a large and ever-increasing circulation. The advantages offered to advertisers are therefore unusually great, and the foreign community generally will find it to their interest to avail themselves of them.

The field open to a paper of this description is conducted by native efforts, but progressive and non-interfering in tone, almost limitless. It is on the one hand commands Chinese belief and interest, while on the other it deserves every confidence given to it by foreigners. Like English journals it contains Editorials, with Local, Shipping, and Commercial News and Advertisements.

Subscription orders for the above may be sent to:
